Special K (O2 Academy Sheffield 09.05.09)

Placebo

Coming up beyond belief
On this coronary thief
More than just a leitmotif
More chaotic, no relief
I'll describe the way I feel
Weeping wounds that never heal
Can the savior be for real
Or are you just my seventh seal?No hesitation, no delay
You come on just like special K
Just like I swallowed half my stash
I never ever want to crash
No hesitation, no delay
You come on just like special K
Now you're back with dope demand
I'm on sinking sand
Gravity
No escaping gravity
Gravity
No escaping, not for free
I fall down, hit the ground
Make a heavy sound
Every time you seem to come aroundI'll describe the way I feel
You're my new Achilles heel
Can this savior be for real
Or are you just my seventh seal?No hesitation, no delay
You come on just like special K
Just like I swallowed half my stash
I never ever want to crash
No hesitation, no delay
You come on just like special K
Now you're back with dope demand
I'm on sinking sand
Gravity
No escaping gravity
Gravity
No escaping, not for free
I fall down, hit the ground
Make a heavy sound

Every time you seem to come around
