I'm Blessed (feat. T.I.)

Charlie Wilson

[Intro]
I knew God was with it
I always use to pray
Ah, my prayer was to ask God to not let the devil kill me out here
while I was in the streets before I could get back
But I said if you give me one more chance at life and music
I promise you Imma shout you out
And I'm gon testify
And we gon have a little church after that
oh, oh, oh, I'm blessed[Verse 1]
Waking up thanking God, every day is feeling just like Sunday
Wifey fly, by my side, green light
Everything is going my way Riding clean, living dreams
Just left the barber and I'm feeling like Midas
Heard em say give em praise
Face in the water got em acting like thisAin't a day go by, that I don't try
To thank the lord up above
And if you wondering why, I'm loving life
I'm close and I'll tell you what's up[Chorus]
Ask me how I'm doing, I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like oh yes
I'm blessed yes, I'm blessed yes
Ask me how I'm doing
I'm blessed yes
Living every moment no regrets
Smile up on my face, I'm like oh yes
I'm blessed yes, I'm blessed yes[Verse 2]
Playing cards, laughing hard
bar b que-in waking up the whole block
Music loud, turning loud
Feel the keys, I'm breaking out the bus stop
Life is good, really good
and every moment, no I can't forget
I got to say, I won't change
Your the reason that I am like thisAnd it ain't a day go by, that I don't try to thank the lord up above
And if you wondering why I'm loving life
Come close and I'll tell you what's up[Chorus]
Ask me how I'm doing, I'm blessed, yes

Living every moment, no regrets
Smile up on my face, I'm like oh yes
I'm blessed yes, I'm blessed yes
Ask me how I'm doing I'm blessed yes
Living every moment no regrets
Smile up on my face, I'm like oh yes
I'm blessed yes, I'm blessed yes, I'm blessed
I'm blessed, I'm blessed, I'm blessed
I'm blessed, I'm blessed, I'm blessed
I'm blessed, I'm blessed, I'm blessed[Verse 3]
Thank God for another day
While they were hating on me
He done found another way
I know is trouble all around
Trying to tear us all down
But I got to thank God every day above ground
I know the devil working day and night
But I look em in the eyes and you a damn liar
And I know I could of died every [?] time
I'm still around because we here because of now
And now my partner doing time got a message for you
I be stressing out but there is a blessing coming
I wouldn't do through all the party and the nonsense
Just take some time to thank God for what he done with you
When the partner you run with come with all the negative
Kinda tryna to get you do something
You better not follow them down I swear, I declare
So with power and pray, you have no idea
God is always here[Chorus]
Ask me how I'm doing, I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like oh yes
I'm blessed yes, I'm blessed yes
Ask me how I'm doing
I'm blessed yes
Living every moment no regrets
Smile up on my face, I'm like oh yes
I'm blessed yes, I'm blessed yes, I'm blessed
I'm blessed, I'm blessed, I'm blessed
I'm blessed, I'm blessed, I'm blessed
I'm blessed, I'm blessed, I'm blessed
Oh, oh, oh I'm blessed
