Run Daddy Run

Miranda Lambert

Daddy can you hear the devil drawing near
Like a bullet from a gun, run daddy runAll the songs you used to sing to me
Would rock birds to sleep
I need you now so please somehow
Put rockets on your feet (oh oh oh oh)Daddy can you hear the devil drawing near
Like a bullet from a gun, run daddy runSaw that dark cloud coming from a million miles away
Oh how I've dreaded this God forsaken day (oh oh oh oh)Daddy can you hear the devil drawing near
Like a bullet from a gun, run daddy runMama's been crying in the kitchen
Sister's been afraid of the dark
I've been gathering the pieces of all these shattered hearts
And I don't care where you go to
And I don't care where you land
Just get out of there daddy as fast as you canOh, oh, oh, ohDaddy can you hear the devil drawing near
Like a bullet from a gun, run daddy runRun Daddy run, run daddy run
Run Daddy run, run daddy run
Run Daddy run, run daddy run
