The Act Of Rebellion

Behemoth

Fucked by Hecate
Yet I shall not be yours
No fantasies nor the promised grace
I will chase you down
Rid me of slavery
Strengthen up my mind
With a bliss from belowCall me not, never, bow ye down, honorRide the southern blaze, lighting up my throne
See me star arise, hear my nature's call
I summon the beast, call loud out its name
Will never to fall, yet to be restoredHeal me not, never, bow ye down, honor
