Maker Of Love

Boney James

think I can speak for all men when I say
There's something exceptional, unique, about a womanYour colgate smile, those pretty brown eyes
Like heaven, smooth skin, your hair in the wind
Them legs in those heels
That switch all in your walk, girl
That sexy way you talk, girl
Like a Da Vinci painting art, girl..
And I, if I can make you with a magic wand
I will make you no other kind of away
you were made by the maker of love.
You were made by the maker of love
Baby listen
I want you, couldn't have you, no, ever got away
And you was made by the maker of love?
You was made by the maker of love
Your body that works ... your hips in that skirt
The smell of a fragrance, ohh the a taste of sweet kiss
The passion, the thrill, goosebumps and the chills
Thy wish is my will I'd do anything for you
See when it comes to you, and I
I love the way he made you do and I wouldn't change one thing
You was made by the maker of love?
You was made by the maker of love
See I, if I made you, I wouldn't change one thing
you was made by the maker of love?
You was made by the maker of love
From head to toe, you were made for love
You were made for man, made for me
You were made from a spark to light up the world
With a man to have and to hold, save forever for now
See, that's why I say now
And who was made by the maker of love?
You was made by the maker of love
See I, if I made you, I wouldn't change one thing
And who was made by the maker of love?
You was made by the maker of love
See I, I know you were made by the maker of love
You was made by the maker of love

You was made by the maker of love
