

# No More (Baby I'ma Do Right)

3LW

You can or you can't, can't  
Be a man, be a man, man  
No more  
No more, baby I'ma do right  
You treat me like a lady  
When you open doors, doors  
But then you wanna front  
When you're with your boys, your boys  
How you gonna play me  
When I bought your clothes, your clothes  
The ones that you be wearin'  
When you with your hoes, your hoes  
I know you never thought  
That I would have the nerve, the nerve  
Think about it more  
Since you at the curb, the curb  
Blowin' up my pager  
Say you want a chance, a chance  
Listen when I say  
Playa, please- No, I'm not the one  
(Baby, I'ma do right, do right)  
No, I'm not the one  
(Baby, I'ma do right, do right) I just wanna know  
What happened to our love  
We used to be best friends  
Where did it go wrong  
When you gonna see  
How good it is with me  
I'm tired and I'm through  
With all your "listen baby" Listen what, playa chill now  
Tell me how you gon' cite me when I found out  
Honey gotta break it down, down  
I said it ain't no thing  
Girl, what's my name?  
Keelay, Keelay  
Look me in the face and tell me  
What the dealie, dealie  
Oh, you wanna go shade now  
But I'm paid now, I know that you hate that

Oh, you got the one now, you warm now  
'Cause you thought you'd come right back, save that  
You could do whatever to me, and be together with me  
Like you do better than me (you do or you don't)  
No more, never for meHey yo you promised me Kate Spade  
But that was last year boy in the 8th grade  
But you ain't Biggie baby boy, so no it ain't "one more chance"  
And when yo friends around you don't wanna hold my hand  
And now you see a girl stylin' and wildin' inside the mix  
Hoppin' out the whips the whips the five and six  
Yes fly crone, so pardon my tone  
Here go a quarter go call TyroneNo, I'm not the one  
(Say it again, s-say it, say it again)  
No, I'm not the one  
(Say it again, s-say it, say it again)  
No, I'm not the one  
(I could do bad all by myself)  
No, I'm not the one  
(I'm not the one, the one)
