

Bang Bang

David Bowie

Wow, this ain't the right thing to do
So, so let, so let's go Young girls, know what they're after
Young girls, don't kiss me goodbye
Rockets shooting up into space
Buildings, they rise to the skies Bang bang, I got mine
Bang bang, reach for the sky I keep a good friend on videotape
He'll drive his sports car until it's too late
But we'll have a hot time on the town tonight
'Cause love is my bet and it's the best yet Bang bang, I got mine
Bang bang, sun don't shine
Bang bang, you all angels
Bang bang, now you all ought to be in pictures Oh girl, oh girl, oh girl, oh girl
My problems can't follow me
Phone calls, I take my machine
I wander lonely to the sea
Lonely, ha ha ha, what does it mean? Bang bang, I got mine
Bang bang, and you are next in line
Bang bang, reach for the sky
Bang bang, sun don't shine Rise buildings
Rise to the sky
Well, young girls, know what they're after
I said, "Young girls, don't kiss me goodbye" Bang bang, then you close, then you should close
Then you close down, you big man
Bang bang, spot the brack, just come in first
Bang bang, if praise had wings
Bang bang, and you next in line
