Ray's Blues

Ray Charles

Well, have you ever woke up in the morning sometimes
Just about the break of day
Well, have you ever woke up in the morning sometimes
Just about the break of day
Reach over and feel the pillow, baby
Where your sweet man used to lay
Well baby, it's so lonesome by myself
Well, it's so lonesome, baby, just sleeping all by myself
Well, I don't want nobody but my baby
Shouting, my baby's loving somebody else
Oh baby, won't you please hear my plea?
Hallelujah, I said, oh, oh baby, won't you please hear my plea?
Well, wherever you may be, darling
Bring your fine self home to me
