## dumblonde

Late last night I had a dream  
I fell asleep in the shadow of success  
I confess  
And I forgot what pretty means  
Oh this responsibility's a bitch  
I admit So let's be shameless  
And paint ourselves crazy  
Don't look back 'cause  
The good life's waiting  
Ohohohohoh  
I'm getting tired  
Ohohohohoh So tonight we dream  
We won't wake up, the dream is never done, no  
So tonight we dream  
We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no I think it's time we make 'em all stay up  
'Til someone asks us where we've been  
Are you in?  
And we won't let life pass us by  
So let's light up and feel like we're alive  
It's alright So let's be shameless  
And paint ourselves crazy  
Don't look back 'cause  
The good life's waiting  
Ohohohohoh  
I'm getting tired  
Ohohohohoh  
So tonight we dream  
We won't wake up, the dream is never done, no  
So tonight we dream  
We won't wake up, the dream is never done, no We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no You got one life  
Don't waste it  
I feel it, I taste it, oh, oh

So sit back  
Don't chase it  
This moment, don't waste it, oh, oh We won't wake up, the dream is never done, no  
We won't wake up, this night is ours to take, no  
We won't wake up, the dream is never done, no  
We won't wake up, the dream is never done, no  
We won't wake up, this night is ours to take, no  
We won't wake up, the dream is never done, no  
We won't wake up, this dream is never, dumbblonde
