

# Without Your Love

## Angelina

Chorus:

I don't want to be without your love  
Cause your the only one i'm thinking of baby  
I'm afraid to live without your love  
So baby don't you go away  
Repeat (1x) These feelings I have inside my soul  
Theres no words that can describe  
The way that you hold me  
The way that you need me  
The way that you make me feel when i'm with you  
In the heat of the night I call your name  
And you set me on fire like a burning flame  
From the moment you touched me my heart beats fast  
And my passion wants to take control  
Chorus As the sun goes down and I close my eyes  
All my dreams, they are of you  
They're filled with emotion  
And visions that keep me  
Keep me reminded of the love we share  
When i'm alone I imagine how it would be  
If there was never a you to care for me  
No one else can make me feel this way  
So i'm never going to let you go  
Chorus
