

Class Historian

Broncho

Chill down, I'm doing great
Doing well is pretty vague
Single mama I wanna get that number
You look as strong as you did before But you know old time, the tired one
CLASS HISTORIAN You cut in line, you cutting cake
You cut in line, I was up in my stake
But you can get back in, you can get back in
You know that you're cutting ties when you're cutting time You know old time, the tired one
CLASS HISTORIAN You know you'll never gonna let your suenos
You know you really gonna wet my dream
But you know you get it up, you gotta get that number
You look the same as you did before But you can get back in, you can get back in
You know that you're cutting ties when you're cutting time
But you can get back in, you can get back in
You know you're catching the fever, you know you're catching the fever You know old time, the tired one
CLASS HISTORIAN Back then, you could get back then
Started young
