

# Make It in America

## Victoria Justice & Victorious Cast

Got a one way ticket down a 2 way street  
Got the wind in my hair and there's dust on my feet  
I'm just trying to make it in AmericaOnly thing to my name is an old t-shirt  
Faded 1985 from a Stones' concert  
And I'm dying to make it in AmericaAnd I'm singing the words to my favorite song  
With the rag top down and my glasses on  
And I'm driving straight through AmericaI wanna taste the sun  
Cause baby I'm born to run  
I got a feeling that I'm not the only oneI, I wanna show some skin  
Yeah baby I need the ocean  
And you can't stop me now I've got my heart in motion  
I want to make it in America  
I can see my star sunset and vine  
Gonna carve my name in the Hollywood sign  
Yeah I gotta, gotta make it in AmericaSee me wearin' a smile, even if I'm broke  
I'll be singing the words from a song I wrote  
And I called it Make It In AmericaI wanna taste the sun  
Cause baby I'm born to run  
I got a feeling that I'm not the only oneI, I wanna show some skin  
Baby I need the ocean  
And you can't stop me now I've got my heart in motion  
I wanna make it in AmericaI can feel the sweat dripping down my face  
I can hear my heart as it starts to race  
Yeah sometimes this world's such a lonely place  
If I just push on I know that  
I wanna taste the sun  
Cause baby I'm born to run  
I got a feeling that I'm not the only oneI, I wanna show some skin  
Baby I need the ocean  
And you can't stop me now I've got my heart in motion  
I wanna make it in America
