

Rollin' and Tumblin'

Bob Dylan

I rolled and I tumbled, I cried the whole night long
I rolled and I tumbled, I cried the whole night long

Woke up this mornin', I must have bet my money wrongI got troubles so hard, I can't stand the strain
I got troubles so hard, I can't stand the strain

Some young lazy slut has charmed away my brainsThe landscape is glowin', gleamin' in the golden light of day
The landscape is glowin', gleamin' in the golden light of day

I ain't holding nothin' back now, I ain't standin' in anybody's wayWell, I did all I know just to keep you off my
mind

Well, I did all I know just to keep you off my mind

Well, I paid and I paid and my sufferin' heart is always on the lineWell, I get up in the dawn and I go down and
lay in the shade

I get up in the dawn and I go down and lay in the shade

I ain't nobody's house boy, I ain't nobody's well trained maidI'm flat out spent, this woman been drivin' me to
tears

I'm flat out spent, this woman been drivin' me to tears

This woman so crazy, I swear I ain't gonna touch on another one for yearsWell, the warm weather is comin' and
the buds are on the vine

The warm weather is comin' and the buds are on the vine

Ain't nothing so depressing as trying to satisfy this woman of mineI got up this mornin', saw the rising sun
return

Well, I got up this mornin', saw the rising sun return

Sooner or later, you too shall burnThe night's filled with shadows, the years are filled with early doom
The night's filled with shadows, the years are filled with early doom

I've been conjuring up all these long dead souls from their crumblin' tombsLet's forgive each other darlin', let's
go down to the greenwood glen

Let's forgive each other darlin', let's go down to the greenwood glen

Let's put our heads together, let's put old matters to an endNow I rolled and I tumbled and I cried the whole
night long

Ah, I rolled and I tumbled and I cried the whole night long
I woke up this morning, I think I must be traveling wrong
