Collard Greens and Cornbread

Fantasia

Yesterday I cursed you and told you that I was through
But today I'm with you
Ain't that some love

Tomorrow you might hate me and find you somebody new
But today I'm with you
Ain't that some love

I ain't gonna lie
boy you got me out of my mind
in L-O-V-E
I go crazy when you love me
Got me acting a mess
Even got the nerve to say I'm better than my momma
Collard greens and cornbread yeah
Collard greens and cornbread yeah

I never put up with B-S from anyone
But I take it from you
Ain't that some love

And I never had no one put me through what you do
But as long as it's you, ooh baby
That's some real love

Oh ain't gonna lie
boy you got me out of my mind
in L-O-V-E
I go crazy when you love me
Got me acting a mess

Even got the nerve to say I'm better than my momma
Collard greens and cornbread yeah
Collard greens and cornbread yeah

Baby
And you're my sweet potato pie
Sugar
You know you are

Oh

Sugar
And I can't get enough of you
Boy I'm crazy bout what you do
Ain't gonna lie
boy you got me out of my mind
in L-O-V-E
I go crazy when you love me
Got me acting a mess
Even got the nerve to say I'm better than my momma
Collard greens and cornbread yea
Collard greens and cornbread yea
Collard and cornbread yea
Collards and cornbread yea
Hey baby
