Brand New Companion

Johnny Dowd

I got a brand new companion
Man, I'm gonna do right this time
Got a brand new companion
Gonna do right this time
Cools me with her breathin'
Chases away them howlin' bottles of wineShe fits just like my guitar
Man, she's near as tall as me
She fits just like my guitar
Near as tall as me
She lives way out on the D Train
But she's Texas as can beShe got a home spun disposition
She's gentle as you please
She got a home spun disposition
Just as gentle as you please
She got arms like two rattle snakes
Legs just like a willow in the breezeI got a brand new companion
Wanna do right this time
I got a brand new companion
Wanna do right this time
I want to trace her with my body
I want to track her with my mind
