

# A Poem About an Old Prison Man

## Decapitated

Waiting on Death Row  
People coming in overalls  
Taking me to the gas chamber  
Scuffling of feet  
They took him down the hallway  
Feeling everyone's heartbeat  
The central control of the soul  
Batons and retro-tons  
Ingrown toenails  
One time all around you  
All round you, bump-bump  
Save my air, save my air  
My air, my air  
Air, water, trees  
Machines eating the night  
Energy moving  
Nuclear fires  
Burning reactors on my gate  
Fires of hell are burning  
Come home  
Can you see  
Can you say  
That you say  
That you really love this place?
