

Anyone Who Isn't Me Tonight

Tammie Brown

When you made love to me tonight
I felt as if I'd died and gone to heaven
And if that's how it feels to die
Then lay me in your arms, I'm through with living I'll get down on my knees
And thank the good Lord up above
That I'm the lucky girl you chose to love And I feel sorry for anyone who isn't me tonight
So if you think I'm bragging well, you're right
Your love has sent me flyin' and I'm higher than a kite
And I feel sorry for anyone that isn't me tonight And I feel sorry for anyone who isn't me tonight
So if you think I'm bragging well, you're right
Your love has sent me flyin' and I'm higher than a kite
And I feel sorry for anyone that isn't me tonight
You got the kind of body
That was made to give a man a lot of pleasure
But what you're giving me tonight
Is more than anything on earth can measure Every inch of you that's woman
Makes me that much more a man
I've just about enjoyed all I can stand Sorry for anyone who isn't me tonight
So if you think I'm braggin' well, you're right
Your love has sent me flyin' and I'm higher than a kite
And I feel sorry for anyone who isn't me tonight And I feel sorry for anyone who isn't me tonight
So if you think I'm braggin' well, you're right
Your love has sent me flyin' and I'm higher than a kite
And I feel sorry for anyone who isn't me tonight
That's right, Brown & Catti everybody,
Brown & Catti,
I'm happy be worked with Michael Catti.
That's right,
he's the man, I'm the lady.
Oh right now,
somethin' in spanish, yeah?
algo en espa±ol?
para todos a los que gustan del espa±ol,
"Amigos son Heroes"
