Thinking Of You

Robert Tillman

Thinking of you, I'm thinking of you
All I can do is just think about you
Thinking of you, I'm thinking of you
Whenever I'm blue, I'm thinking of you
No matter how I try
I don't find a reason why
Believe me, it's no lie
I always have you on my mind
No matter what I see
Guess where I wanna be?
Love is the answer I will find
Thinking of you, I'm thinking of you
All I can do is just think about you
Thinking of you, I'm thinking of you
Whenever I'm blue, I'm thinking of you
Thinking of you
No matter where I go
This is the only show
I'd like to be your girl
Come on and take my heart
No matter where you are
Baby, I can't be far
'Cause I'll be with you all the time
Thinking of you
Think about you all the time
This feeling deep inside

When you're right by my side
I'll always be with you
Believe me, this is true
Whenever we're apart
You're deep with in my heart
'Cause you'll be with me all the time
Thinking of you, I'm thinking of you
All I can do is just think about you
Thinking of you, I'm thinking of you
Whenever I'm blue, I'm thinking of you
No matter where I go
This is the only show

I'd like to be your boy
Come on and take my heart
No matter where you are
Baby, I can't be far
'Cause I'll be with you all the time
Thinking of you, I'm thinking of you
All I can do is just think about you
Thinking of you, I'm thinking of you
Whenever I'm blue, I'm thinking of you
Thinking of you
Thinking of you, I'm thinking of you
Whenever I'm blue, I am thinking of you
Thinking of you, I'm thinking of you
Whenever I'm blue, I'm thinking of you
