Ashanti

{What's up you've reached Ashanti?
Leave me a numeric message or a
Voice message and I'll get back to you later
Hey girl, what's up? It's me
Yo' man, remember your friend?
And I've been calling you for the past three weeks
You've never returned any of my calls
What happened, I thought
I was going to see you at the spot last night?
Yo' everybody's askin' me
And you know who be looking for you like crazy
Man what's going on, what's come over you?}
I don't know what's come over me?
I don't know, I don't know what's come over me?
I don't know what's come over me?
I don't know, I don't know what's come over me?
Because I never felt like this
(I don't wanna be wrong 'cause I like it)
Thinkin' about the way you kiss
(I don't wanna be wrong but I like it)
I think you stole my heart from me
(See I don't wanna be wrong 'cause I like it)
'Cause I belong to somebody
(Even though it seems wrong I can't fight it)
It almost feels as if I'm not myself
Under a spell from someone else
I think I'm fallin' for somebody else and I can't control myself
(Haa)
It's like some kind of hex on me
(Haa)
Controlling who I love and how I speak
(Haa)
And when it's gone my heart won't beat
(Haa)
Tell me what's come over me?
I don't know what's come over me?
(Over me, over me)
I don't know, I don't know what's come over me
(I don't know)

I don't know what's come over me?
(Over me, over me)
I don't know, I don't know what's come over me?
(Mmm)
Because I never felt like this
(I don't wanna be wrong 'cause I like it)
Thinkin' about the way you kiss
(I don't wanna be wrong but I like it)
You got me thinkin', I should leave
(See I don't wanna be wrong 'cause I like it)
But I belong to somebody
(Even though it seems wrong I can't fight it)
I know that I already have a love
He's all I know and all I trust
But lately I've been fallin' out of love
I find myself so deep in lust
(Haa)
And every time he's here with me
(Haa)
I look into his eyes so desperately
(Haa)
But now it's not his face I see
(Haa)
Tell me what's come over me?
I don't know what's come over me?
(Over me, over me)
I don't know, I don't know what's come over me ?
(I don't know)
I don't know, what's come over me?
(Over me, over me)
I don't know, I don't know what's come over me?
(Mmm)
I don't know, I don't know, I don't know, I don't know, I don't know
(I don't know, I just don't know)
I don't know, I don't know, I don't know, I don't know, I don't know
(What's come over me?)
(It's like, something is taking complete control on me)
I don't know, I don't know, I don't know, I don't know, I don't know
I don't know, I don't know, I don't know, I don't know, I don't know
(I can't function, I'm not me)
I don't know, I don't know, I don't know, I don't know, I don't know
I don't know what's come over me
(Over me)
I don't know, I don't know what's come over me
(Na na na)

I don't know, I don't know what's come over me
(Over me, over me)
I don't know, I don't know what's come over me
(Na, na, na na na)
I don't know what's come over me ?
(Come over me, over me)
I don't know, I don't know what's come over me ?
(I don't know)
I don't know what's come over me?
(What's come over me, over me)
I don't know, I don't know what's come over me?
(I don't know, I don't know, I don't know)
Aah, aah
Aah, aah
