Change Your World

TEEFLII

Everybody know your turn up real, real
Poke it out, show me something I can feel, feel
See even though you ain't my girl
These ways I'm feeling for you is real
See even though you ain't my girl
I can change your worldI'mma fuck up your hair
Tasha gon' have to do it over
Girl you so fine
We gon' be going body to body
Make you feel good on this side
Tonight Annie you'll go right
Write your number down
After this henny I'm gon' call you
Pretty lady, lady
I'm noticing your going crazy, crazy, crazyEverybody know your turn up real, real
Poke it out, show me something I can feel, feel
See even though you ain't my girl
These ways I'm feeling for you is real
See even though you ain't my girl
I can change your worldIn the club feelin' on your thighs
Your body, your body
Ooh girl, do it for me one time
And he take your time
You bomb from head to toe
You got your hair done and your nails done
Pretty lady, lady
I'm noticing your going crazy, crazy, crazy
