Lean

Oh Land

Did you really carry me when I was asleep?
Did you try to defend me when I was weak?
Did you pick me up that lonely night
When the lights died out and I turned to the gray side?
Did you carry me when I was asleep?
Now you're out on the bottomless sea
So it's time for you to lean on me, lean on me
Now you're out on the bottomless sea
So it's time for you to lean on me, lean on me
Did you lie for me to keep me safe?
Did you bear with me when I misbehaved?
Far from here could you feel my fear
When the lights died out and I turned to the gray side?
Did you lie for me to keep me safe?

Now you're out on the bottomless sea
So it's time for you to lean on me, lean on me
Now you're out on the bottomless sea
So it's time for you to lean on me, lean on me
Words are falling down
Frozen on the ground
I'm trying to stop the light
Now you're out on the bottomless sea
So it's time for you to lean on me, lean on me
Now you're out on the bottomless sea
So it's time for you to lean on me, lean on me
