

Don't Stop

5 Seconds of Summer

You're like perfection, some kind of holiday
You got me thinking that we could run away
 You want I'll take you there,
 You tell me when and where,
Oh oh oh oh But then I asked for your number,
 Said you don't have a phone
 It's getting late now,
I gotta let you know That everybody wants to take you home tonight
But I'm gonna find a way to make you mine Don't stop doin' what you're doin'
 Every time you move to the beat
 It gets harder for me
 And you know it, know it, know it
Don't stop 'cause you know that I like it
 Every time you walk in the room
 You got all eyes on you
And you know it, know it, know it You're coming close now, swear I can taste it,
 You got me tongue tied, I can't escape it
 I'm loving what you got,
 But then you push me off,
Oh oh oh oh And everybody wants to take you home tonight
But I'm gonna find a way to make you mine Don't stop doin' what you're doin'
 Every time you move to the beat
 It gets harder for me
 And you know it, know it, know it
Don't stop 'cause you know that I like it
 Every time you walk in the room
 You got all eyes on you
And you know it, know it, know it Every day it's the same love and games that you play
Back and forth, round and round, kinda like it this way Don't stop doin' what you're doin'
 'Cause every time you move to the beat
 It gets harder for me
 And you know it, know it, know it
Don't stop 'cause you know that I like it
 Every time you walk in the room
 You got all eyes on you
And you know it, know it, know it, know it Don't stop (don't stop, stop what you're doing) doin' what you're
 doin'
 'Cause you know that, you know that I like it
 Every time you move to the beat

It gets harder for me
And you know it, know it, know it
Don't stop, 'cause you know that I like it (you know that I like it)
Every time you walk in the room
You got all eyes on you
And you know it, know it, know it
