

# As Time Goes By

[Ikon](#)

Its just slipping away  
Slipping away  
Faster and faster  
Always fasterAs time goes by  
I see myself falling  
Falling faster  
Always fasterAs time goes by  
I see myself falling  
Falling faster  
Always faster (4)I see myself  
Loosing control  
Loosing control  
Loosing controlI see myself  
On the edge  
On the edge  
Falling and fallingAs time goes by  
I see myself falling  
Falling faster

Always faster (4)From: Why, A Moment In Time & The Final ExperienceWords by Michael Carrodus
