Bloodshot rollin' red (harmonica)Did a vehicle

Come from somewhere out there

Just to land in the andes?

Was it round

And did it have

A motor

Or was it

Something

DifferentDid a vehicle

Did a vehicle

Did a vehicle

Fly along the mountains

And find a place to park itselfOr did someone

Build a place

To leave a space

For such a vehicle to landDid a vehicle

Come from somewhere out there

Did a vehicle

Come from somewhere out there

Did the indians, first on the bill

Carve up the hillDid a booger-bear

Come from somewhere out there

Just to land in the andes?

Was she round

And did she have a motor

Or was she something differentGuacamole queen

Guacamole queen

Guacamole queen

Guacamole queen

At the armadillo in austin texas, her aura,

Or did someone build a place

Or leave a space for chester's thing to land

(chester's thing... on ruth)

Did a booger-beer
Come from somewhere out there
Did a booger-bear
Come from somewhere out there
Did the indians, first on the bill
Carve up her hill
On ruth
On ruth
That's ruth
