

Never Say Never

Armin van Buuren

Stay with me
Won't you wait for me
Care for me
And never say never Love
You're in my flesh and bone
Where ever you go I'm home
I'll follow you You're in my head in my heart in my soul
The air I breathe You're in my head in my heart in my soul
The air I breathe Yeah you're my favorite need I'll follow you
I'll follow you When everything seems lost
I'm stuck and falling down
You will guide me home
So promise me You'll stay with me
Won't you wait for me
Care for me
And never say never Stay with me
Won't you wait for me
Care for me
And never say never again No never say never again
No never say never again Stay with me
Never say never say never again Stay with me
