Love and Peace or Else

U2

Lay down , lay down
Lay your sweet lovely on the ground
Lay your love on the track
We're gonna break the monster's backLay down your treasure
Lay it down now brother
You don't have time
For a jealous loverAs you enter this life
I pray you depart
With a wrinkled face
And a brand new heartI don't know if I can take it
I'm not easy on my knees
Here's my heart that you break it
I need some release, release, releaseWe need
Love and peace
Love, love and peaceLay down
Lay down your guns
All your daughters of zion
All your Abraham SonsI don't know if I can make it
I'm not easy on my knees
Here's my heart and I let you break it
I need some release, release, releaseWe need
Love and peace
Love and peaceBaby, don't fight, we can talk this thing through
Between me and you
I'll call or you phone, the TV is still on
But the sound is turned down
And the troops on the ground
Are about to dig in
And I wonder where is the love
Where is the love?Love and peaceWhere is the love?
Where is the love?
Where is the love?
