

# Necromancer

## Van der Graaf Generator

Yes, I live in the black woods  
Where you dare not even speak my name  
If there is evil in your heart and you come near me  
You will lose your saneMy form is mystic but my heart is pure  
You'd better believe what I say  
I am the Necromancer  
(I am the Necromancer)I cast deep spells and potent  
I am a Seer of the Real  
My forces work against evil  
For I love all I feelI know the secrets long forgotten  
You'd better believe in me  
I am the Necromancer  
(I am the Necromancer)Look into my eyes  
I tell you, occults power lies in love  
I fight against darkness  
The power of the BlackEvery day the power is greater  
And soon the world will come to rights  
Through the magic, through the power  
Shaman shall die on the seventh nightAnd now remember magic is here  
You'd better believe in the White  
I am the Necromancer  
(I am the Necromancer)And I come to carry your heart away to good
