

Who's Tha M.F.

Juvenile

Nigga just came home from jail, look how he played me
Kicked my door down, took my shit an' tied up my ol' lady
Now, I'm just kick back broke, poverty is still in my head hurtin'
'Cuz I know this nigga gotta be killed My good side tellin' me let 'em slide
'Cuz he ain't worth 'bout my bad side
Tell me to kill 'em 'cuz he deserve no mercy
Follow my bad side and put a feelin' through healin' Any motherfucker seekin' his business relentless
Thoughts goin' through my mind, nigga had tried to shine
I would be 'bout dat iron in this foolishness frame of mind
In the front door actin' a donkey wit tha 44 Let a funky snatched the money, handle business to momo
Tired of havin' nothin', wearin' my brother's clothes
Many times I got drove by niggas in front of hoes
You know how it be dog, you ain't been ballin' all your life You was 'round dat bitch, still dirty stealin' bikes
Buildin' escape mobile all fixin' the grilled cheese
In the store breakin' snaps crown derby a key Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka You lil' boys runnin' wanna do somethin', c'mon
I gotta somethin' fo' lil' bitch ass, your potnas and your grandma
'Cuz I'm on a killa, playa, hata type boy you, don't ask me
None of that [unverified] but I'll take a lil' of dat [unverified] Step and I'll cut your breath short like it's bestis
Should've had your mama sayin, "Lord, mama child loved 'em"
They say I'm losin weight, boy what's wrong wit you?
I'm hungry and I'm broke, now brake me off wit a bone or two I know a nigga should be good for that, ha?
But all that nigga had told is I ain't got it right now
Lil' bitch, you not my, 'round you hoes lay it down
Lemme get dat out, your potnas better me than them coppas Fo' sho' yo' hoe, tried to crown me on the block
You probably would've got me put dat nine wouldn't stop
A witness scored a bag 'cuz your boy tried to slam me
Out chip ass sellin' whammies, busta won't see his family I let dat nigga slide 'cuz I been in his shoes too
Like 24/7 breath smellin' like beaucoup Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka Who's tha muthaphucka? I'm tha muthaphucka
Who's tha muthaphucka? I'm tha muthaphucka

Who's tha muthaphucka? I'm tha muthaphucka I'm runnin' wit dat gal that's after [unverified] niggas wit six

Set up his to conduct an attitude Look here, how many of you niggas ready to start big tymin'?

Look here, how many of you niggas wanna be ridin' reclinin'

Diamonds be shinin', sippin' on Heineken's, your mind was in a trance

Probably takin' a chance to his baddest police You kill in the peete and make a million a piece

And we'll got off of the streets in there a house in the east

I know the answer is no, so up into my dad

I'm screamin', "Fuck yo", clangin' tha five doe Look here, when I was young I didn't hardly know shit

Bigga ballin' would get the medocore nigga noticed

So I approach like I was coached refuse in the gun

Gangs could be over come if you silence your tongue My name went after chosen one threw out the slump

Sense of envy up in these other mennies brains I [unverified] Who's tha muthaphucka? I'm tha muthaphucka
