

Mirage

Sabrina Carpenter

[Verse 1]

They said she can't wear Giamba, baby you gotta pay

Well then we got a problem, problem

And there's a party at midnight, at the top of the hill

But you gotta be someone, someone[Pre-Chorus]

And every face is a hologram

We're all caught in a dream

We're all caught in a dream

And everyone plays so innocent

It's all part of the scene, oh[Chorus]

Is it just a mirage?

All these Hollywood Gods

And everything that we've got

Is it just a mirage?[Verse 2]

And we just go though the motions, yeah, we lock 'em inside

Don't show any emotion, emotion

And everybody's been talkin', believe it or not

But you don't gotta listen, listen[Pre-Chorus]

And every face is a hologram

We're all caught in a dream

We're all caught in a dream

And everyone plays so innocent

It's all part of the scene, oh[Chorus]

Is it just a mirage?

All these Hollywood Gods

And everything that we've got

Is it just a mirage?[Refrain]

Oh-oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh-oh[Bridge]

Is it real, is it real or not?

Is it real, everything we've got?

Is it real, is it real or not?

Is it real, everything we've got?[Chorus]

Or is it just a mirage?

All these Hollywood Gods

And everything that we've got

Is it just a mirage?[Refrain]

Oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh[Outro]
Is it just a mirage?
