

Anyway (1998 Version)

Dynamite Hack

you gotta be kidding me
i'm through with you girl anyway
i'll wait for you i always do
it's dumb but i want to anyway** so here we are stuck in hell
same old game we know it well
i don't mind...anyway
spark it up and numb me on and off again
oh what the hell
i don't mind...anywaybeen sittin' here have another beer
i'm drunk but i want some anyway
i just don't care enough about you
so fuck you anyway** so here we are stuck in hell
same old game we know it well
i don't mind...anyway
spark it up and numb me on and off again
oh what the hell
i don't mind...anywayyou gotta be kidding me
i'm through with you girl anyway
too numb to know that i'm happy
without you i'm better off anywayi just don't care enough about this to make the effort to show you
that i care enough to try to get you back in bed with me** so here we are stuck in hell
same old game we know it well
i don't mind...anyway
spark it up and numb me on and off again
oh what the hell
i don't mind...anyway
