Friend

Bob Evans

You are my friend
I always thought we were invincible
But I canÃ¢??t pretend
That something strange ain't come between us now

I believe in love [Repeat: x3]
But do you?

You are my mate
For years they said we were inseparable
But I canÃ¢??t relate
'Cause lately weÃ¢??ve been going differently

I believe in love [Repeat: x3]
But do you?

And itÃ¢??s true everybody knows
People come and people go
You mean much more to me
I donÃ¢??t want one of those to be you
But I really donÃ¢??t know what I can do

I believe in love
But do you?

You are my friend
WeÃ¢??ve always had an understanding yeah
I canÃ¢??t comprehend
How weÃ¢??re now talking different languages

I believe in love [Repeat: x3]
But do you?

And itÃ¢??s true everybody knows
People come and people go
You mean much more to me
I donÃ¢??t one of those to be you
But I really donÃ¢??t know what I can do

I believe in making up

I believe in making up
I believe in making up
I believe in taking up
I believe in shaking up
I believe in making up
But do you?
