Demented Aggression

Cannibal Corpse

Demented AggressionPain is my reward from psychotic tendencies
Pain I give to you
Pain relentlessly
Torturing has reached a level no one's ever seen
Suffer for your life
Rabid force extreme
Rage is my obsession driven by my cruelty
Rage is my release
Rage relentlessly
Ravaging continues through my scattered lunacy
Malice for your life
Rapid force extremeDemented aggressionHate is the reason I embrace these fantasies
Hate engulfs my mind
Hate relentlessly
With pain and rage and hatred relentlesslyWith pain
Rage and hate
Beatings come faster
Beatings last longer
With pain
Rage and hate
Beatings are forever
I don't think you'll live [2x]Don't think you'll live
Don't think you'll live
I don't think you'll livePain is my reward from psychotic tendencies
Rage is my release
Hate relentlessly
With pain and rage and hatred relentlesslyWith pain
Rage and hate
Torture coming faster
Torture lasting longer
With pain
Rage and hate
Torture is forever
I don't think you'll live [2x]Don't think you'll live
Don't think you'll live
I don't think you'll liveLeft as a pummeled mound of waste
Rot and decay under the sun[Solo: O'Brien]With pain
Rage and hate
Suffering is faster

Suffering is longer
With pain
Rage and hate
Suffering is forever
I don't think you'll live [2x]
