

# Doctor, Doctor

## Iron Maiden

Doctor doctor, please  
Don't you know am going fast  
Doctor doctor, please.  
Don't you know I just them lead  
She walked up to me and really stole my heart  
And then she started to take my body apart\*Livin' lovin' I'm on the run  
So far away from you  
Livin' lovin' I'm on the run  
So far away from you Doctor doctor, please  
Don't you know I just them lead  
Doctor doctor, please,  
Don't you know am going fast  
It's only just a moment  
She's turning paranoid  
That's not a situation for a nervous boy Doctor doctor, please  
Don't you know am going fast  
Doctor doctor, please  
Don't you know I just them lead  
But you look so angry as I crawled across your floor  
She's got the strength, and I can't take any more\*repeat I'm on the run
