Butterfly

Take That

For once in my life I couldn?t deny
I thought that I?d found my everything
A lover a friend, the hours we would spend
Just doing nothing at all
Yeah, but your need to leave is your so long
Break free let go
Butterfly fly, fly away from here
I know we?ll try
Try through the laughter and the tears
You?ll always be a part of me
In my heart you?ll always be
Butterfly fly, fly away, fly away
Deep in your eyes the stare that I find
All that I really ever need
Whatever I do, you know that it's you
Girl, In every face I see
Your last goodbye was your so long
Break free let go
Butterfly fly, fly away from here
I know we?ll try
Try through the laughter and the tears
You?ll always be a part of me
In my heart you?ll always be
Butterfly fly, fly away, fly away
To the place you belong
Hope you heal the fear and soul
Hope that you can find
The freedom in your life, in your life
Ahh, sweet butterfly, just fly away, just fly away
I know we?ll try
Try through the laughter and the tears
You?ll always be a part of me
In my heart you?ll always be
Butterfly fly, fly away, fly away
For once in my life I couldn?t deny
I thought that I?d found my everything
A lover a friend, the hours we would spend
Just doing nothing at all
