

# It Takes Two

Otis Redding & Carla Thomas

One can have a dream baby  
Two can make that dream so real  
One can talk about bein' in love  
Two can say how it feels Well, one can wish upon a star  
Two can make a wish come true, yeah  
One can stand alone in the dark  
Two can make the light shine through It takes two baby, it takes two baby  
Me and you, just us two  
It takes two baby, it takes two baby  
To make a dream come true, just takes two One can have a broken heart, livin' in misery, yeah  
Two can really ease the pain like a perfect remedy  
One can be alone in a bar drinkin' all alone by herself  
Two can make that lonely place seem like somewhere else  
It takes two baby, it takes two baby  
Me and you, just takes two  
It takes two baby, it takes two baby  
To make a dream come true, just takes two It takes two, it takes two baby  
Just me and you, me and you And one can go out to a movie lookin' for a special treat  
Two can make that movie somethin' kinda sweet  
One can take a walk in the moonlight thinkin' that it's really nice  
Two walkin' hand in hand adds such a touch of spice It takes two baby, it takes two baby  
Me and you, just us two  
It takes two baby, it takes two baby  
To make a dream come true, it just takes two It takes two baby, it takes two baby  
Me and you, just us two  
It takes two baby, it takes two baby  
To make a dream come true, it just takes two  
It takes two baby, it takes two baby  
Me and you, just us two, us two  
It takes two baby, it takes two baby  
To make a dream come true, it just takes two It takes two baby, it takes two baby  
Me and you
