Cassie (acoustic)

Flyleaf

The question asked in order
To save her life or take it
The answer 'No' to avoid death
The answer 'Yes' would make it, make it
'Do you believe in God?' written on the bullet
Say, "Yes" to pull the trigger
'Do you believe in God?' written on the bullet
And Cassie pull the trigger
All heads are bowed in silence
To remember her last sentence, she answered him
Knowing what would happen
Her last words still hanging in the air, in the air
'Do you believe in God?' written on the bullet
Say, "Yes" to pull the trigger
'Do you believe in God?' written on the bullet
And Cassie pull the trigger
How many will die?
I will die, I, I, I will say, ?Yes?
'Do you believe in God?' written on the bullet
Say, "Yes" to pull the trigger
'Do you believe in God?' written on the bullet
And Cassie pull the trigger
Do you believe in God?
Do you believe in God?
Do you believe in God?
And I will pull the trigger
