

# Burning Bridges

## Mystic Prophecy

You give up on yourself  
Somehow you got betrayed agin  
Thin ice and luck runs out  
Who will you blame it on this time? Due to lack of interest in you  
The light at the end of the tunnel  
Was turned off  
And something I noticed  
Beating you is thrilling me  
I've got a secret for you If you took your own direction  
If only you practice what you preach  
If you follow your advice  
You wouldn't be burnings all the time  
Don't close your eyes to injustice  
Listen, being brave ain't chicken shit  
A man without any valor  
Has nothing worth living for Due to lack of interest in you  
The light at the end of the tunnel  
Was turned off  
And something I noticed  
Beating you is thrilling me  
I've got a secret for you If you took your own direction  
If only you practice what you preach  
If you follow your advice  
You wouldn't be burnings all the time Solo - Mustaine  
Solo - Pitrelli  
If you took your own direction  
If only you practice what you preach  
If you follow your advice  
You wouldn't be burnings all the time If you took your own direction  
If only you practice what you preach  
If you follow your advice  
You wouldn't be burnings all the time
