

Mascara (The Ugly Truth)

Reks

I was so sorry when your luck run out
And the crowd just pass you by
Now you are learning what is all about I mean . read the magz
. ugly truth . down to the lows where the corps are
Once was . blackness in your heart
Wanna see you lost that girl
. white skin lovely when
. they give me money if I . no sir funny
... boggy for the camera . forget the misery
We make history . mister black president .
Can' hide who we are inside .
mascara
The ugly truth
Want my heroes to look like you
Walk talk act just like you
You sing dance rap just like me
Can I just be me
(repeat)
Why are other women more like Lindsay Lohen
And not more like Mya
. life is beautiful move it to nostalgia
. time to be lauder
. all my strength . I was young .
None of them look like .
I am black I better be true to that
Rest in peace LJ...
But in the same time I did it snap . bliss
