Always Tomorrow

Gloria Estefan

I've been alone inside myself, far too long
Never really wanted it that way but I let it happen
If I could do it all again, my life would be
Infinitely better than before, I wouldn't waste a momentMake time for laughing with my friends
Make love, make music, make amends
Try to make a difference, try to love, try to understand
Instead of just givin' up, I'd use the power at my commandBut there's always tomorrow to start over again
Things will never stay the same
The only one sure thing is change
That's why there's always tomorrowI guess it took a little time for me to see
The reason I was born into this world and what I'd have to go through
Before I'd finally realized that I could be
Infinitely better than before, definitely strongerI'll face whatever comes my way
Savor each moment of the day
Love as many people as I can along the way
Help someone who's given up, if it's just to raise my eyes and prayBut there's always tomorrow to start over again
Things will never stay the same
The only one sure thing is change
That's why there's always tomorrowBefore your last setting sun
And everything your heart has longed for
Has yet to be oneYes there's always, always, always tomorrow
Though people come and they go
But if you've brought some love to their lives
Then you've got somethin' to show, ohThere's always, always, always tomorrow to start over again
Things will never stay the same
The only one sure thing is change
That's why there's always, always, always
Always, always, always, always tomorrow
