

Can You Feel It?

Reel 2 Real

Can you feel it baby

This is mad stuntman pon your case

Wicked everytime

So all rude boys and rude girls

Feel the rhythm and feel the vibe

Watch the D.J.

Him a mix like a blender

Mix like a what? Mix like a blender

Pon the dance floor

everybody in a merger

With a good feel

with a good what?

Music feel nice

it's getting hotter

Hotter than ever

hotter than pleasure

Hotter than lovers

hotter than what?

Hotter than bread

hotter than butter

Hotter than women shaking rumpshaker

From left to right shaking like thunder

From right to left taking you under

Can you feel it

can you feel it

Can you feel it

(Ohh) it feel so nice

(Ohh) it feel so right

(Ohh) so feel it don't fight

Can you feel it baby

Music it hot

it hot like fire

Hotter than hot
like boiling water
People dem a gallop and a dance in a fever
Fell de bass comin outta de speaker
Man and woman them a dance all over
All over everybody's in a tempa
'Cause de speaker
and de mixer
De turntable and de echo chamba

Pump it all up!
Everybody in a pressure
It hot! It hot! It hot!
While ya bounce in a tempa
Watch your girlfriend
watch your partner
Dem a dance in a fever

Jump up
jump up!
'Cause de place a turnover
Jump up
jump up!
'Cause de place on fire
Jump up
jump up!
It you wanna be my lover
Jump up
jump up!
If you wanna get higher

Can you feel it
