You Can Dance (Fred Falke Radio Edit)

Bryan Ferry

In a discotheque at dawn
Is when it came to me
I'd been ravin' through the night
Lookin' for some companyIt was the Mambo talkin'
It's got a lot to say
Do you come here often?
Do you wanna play?The hitchhike into Paris
And zigzag by the Seine
The Hollywood moment
I'll never be the same(You can dance)
There's a world awaiting
Way beyond the sea
How I love to travel
Baby, will you come with me?(You can dance)
Jump on the table
Slide down the pole
You can wear your sable
And you can bare your soulThrough Reno down to Vegas
The casinos never close
To the movers and the shakers
The Tango never knowsYou can dance, you can dance
You can dance, you can danceTo the morning city
That's where I kept my shoe
I need some inspiration
I've got a lot of time to loseYou can dance
From [Incomprehensible]
And then the dolce vita
I find my beauty queenIn England there's a moment
One nation in a groove
Where the music and emotion
Will make you wanna move(You can dance)
Take me to the river try singing in the rain
(You can dance)
I like the jungle fever, it's got me in the mood again(You can dance)
Oh Tutti Frutti, Jones Bar Hollywood
(You can dance)
I like Campari soda, I'd can can if I could
(You can dance)You can dance, you can dance
You can dance, you can dance

You can dance, you can dance
You can dance
