Falling Over Me

Demi Lovato

I'm standing in the center of the room
I'm watching boys follow girl's perfume
All is as it should be I assume
Except for the distance between me and youYou're standing as a flower on a wall
The room is still but we're about to fall
And all the names that brought us here
Simply fade awayWho you are is falling over me
Who you are is falling over me
Who you are is everything I need
Who you are is everything I needI'm hoping, I'm waiting
I'm praying you are the one
And I'm hoping, I'm waiting
I'm praying you are the oneI can't believe that night turned into today
I used the line you were supposed to say
And all the names that brought us here
Now we have to thankWho you are is falling over me
Who you are is falling over me
And who you are has got me on my knees
Who you are has got me on my kneesI'm hoping, I'm waiting
I'm praying you are the oneIf you want I will wait, I will follow
I'm here to stay
As long as we're promised tomorrow
I promise you today I'll wait, I'll waitWho you are is falling over me
Who you are is falling over me
And who you are has got me on my knees
Who you are is everythingI'm hoping, I'm waiting
I'm praying you are the one
I'm hoping, I'm waiting
I'm praying you are the one
You are the one
