

Sleepwalker

Bonnie McKee

I went to the beach
I felt, I felt nothing
I listen to beats
I felt, I felt nothing I went to a bar
I felt, I felt nothing
I tow down my car
I felt, I felt nothing When I watched The Heels
I felt, I felt nothing (uh, uh)
I swallowed some pills
I felt, I felt nothing But you wake me up
I was just a sleepwalker
You wake me up
Was just another sleepwalker
Bring me back to the light You wake me up
I was out of my mind
I was just a sleepwalker
But you bring me to life, baby
You wake me up
I was out of my mind
Was just another sleepwalker
Bring me back to the light Tequila and lime
I felt, I felt nothing
My card was declined
I felt, I felt nothing
They made me a star
I felt, I felt nothing
I broke a few hearts
I felt, I felt nothing Cut in my skin
I felt nothing
I did it again
I felt, I felt nothing But you wake me up
I was just a sleepwalker
You wake me up
Was just another sleepwalker
Bring me back to the light You wake me up
I was out of my mind
I was just a sleepwalker
But you bring me to life, baby
You wake me up

I was out of my mind
Was just another sleepwalker
Bring me back to the light I was out of my mind
I was just a sleepwalker
But you bring me to life, baby
You wake me up
I was out of my mind
Was just another sleepwalker
Bring me back to the light I was just a sleepwalker
You wake me up
Bring me back to the light
You wake me up
