## Groove Armada

But I feel good, but I feel high  
But I feel good, but I feel high  
But I feel good, but I feel high  
But I feel good, but I feel high  
But I feel good, but I feel high  
But I feel good, but I feel high Deeper down yes y'all,  
Deeper down  
Deeper down yes y'all  
Deeper down  
Deeper down yes y'all  
Deeper down  
Deeper down yes y'all  
Deeper down Yeah, I was just following a Friday  
Trying to get home, find a phone  
Geezer lighter the futures brighter  
Trying to hit a Saturday nighter Yeah, I was just following a Friday  
I found a driver, here's a fiver  
I'll have to lend you  
Excuse me is this the venue? Yeah, I was just following a Friday  
I was just going with the, uh But I feel good, but I feel high  
But I feel good, but I feel high  
But I feel good, but I feel high  
But I feel good, but I feel high Deeper down yes y'all  
Deeper down  
Deeper down yes y'all  
Deeper down  
Deeper down yes y'all  
Deeper down  
Deeper down yes y'all  
Deeper down Yeah, I was just following a Friday  
Trying to get home find a phone  
Geezer lighter the futures brighter
