guys who think only about themselves.  
You're uncool, very uncool.  
Don't approach me!I dislike  
"no way", "useless", "can't get anymore".  
They're uncool, very uncool.  
I don't wanna hear them.I will knock your ill-nature into shape.  
Burn! Burn your anger hidden inside!"Stop kidding! Hey, you!"  
It doesn't matter to win or lose.  
"Stop kidding! Hey, you!"

It is only to be serious or not that matters.I dislike! dislike! dislike! dislike!

Fighting spirit! spirit! spirit! spirit! Damn you! I dislike

guys who are not serious but make excuses.

Stop kidding! I got very irritated.

Don't look at me! I dislike

guys who can't do it but pretend to be tough.

Stop kidding! I really got irritated.

Get out of here! I will knock your ill-nature into shape.

I will burn down everything with flare of anger."Stop kidding! Hey, you!"

It doesn't matter to be skillful or awkward.

"Stop kidding! Hey, you!"

You may think back but may not regret.Fight! Fight against sneaking temptation!

Fight! Fight! Shout out your anger!

What do I do with you?

"Stop kidding! Hey, you!"

You say sorry? Forgive me?

"Stop kidding! Hey, you!" It's a joke? Flattery?

Bring it on! Come on!
