

Amazing Grace

[Tori Amos](#)

Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost but now I sure is found
Was blind but now I see'Twas grace mother that taught my heart to fear
And grace my fears relieved
How precious did ever your grace appear
The hour I first believedWhen we've been there ten thousand years
Bright shining as his sun
I know that grace, sweet grace has appeared
And now she'll bring me home
