Khlorine (feat. Smino)

Sango

Purple sky, 4:44 AM
'Bout to, burn this jay get some Z's
Country fried bands in my pants, shawty dance
Pop it (pop it), like she dropped it in grease
She say "Smino, lately it been so boring
Heard you do a lot of exploring"
She let me in in the water like chlorine
Cleaner than chlorine, lately it feel like a morphine
Fame like a drug but your fames like morphine
Imminent just make morphine
Take a break let me break you off
Face, might break her off
I'm a fanatic, exotic, all this Europe so erotic
Take a break let me break you off
Heat it up like Ben and Jones
I'm off that duss' and chronic, loud turned up that's PanasonicAll learned up shout out my mama
I been overseas spreading holy seed
Hope for peace, can only hope for peace
I been magazine cover posing up
No fatigue can't help but notice us from Magnolia to Mongolia
Hope the cops don't come approaching us
My mans he got ones on him
Plus he just got laid off so he move on em
Plus we in this mufuh, more lit than four corner
She toss me them bikini bottoms
And I give her more barnacle
Pork in the room, do it like St. Louis do

Wanna cut it got the battle axe
In a few times she rush on the real
Put my city right back on the map
She bust it, she push it like a bottle rocket
Baby I'm not gon' knock it
Last thing I do, actually boo
I see the passion in you asking if you
Ever been down to the Lou
Grass got me feeling sport
Crown got me feeling royal
Chevron Don, off the oil
I went from employee to employed
Had to get the final degree
I grew up real crazy like Orlando bruh
They wasn't expecting the keyPurple sky, 4:44 AM
