

You've got the love (Caio ortiz rmx)

Candi Staton

Sometimes I feel like throwing my hands up in the air

I know I can count on youSometimes I feel like saying, "Lord, I just don't care"

But you've got the love I need to see me throughSometimes it seems the going is just too rough

And things go wrong no matter what I do

Now and then I feel like life is just too much

But you've got the love I need to see me throughWhen food is gone, you are my daily meal (hmmm)

When friends are gone I know my Saviour's love is real

Your love is realYou've got the love, you've got the love, you've got the love (hmmm)

You've got the love, you've got the love, you've got the loveSometimes I feel like throwing my hands up in the air

I know I can count on youSometimes I feel like saying, "Lord, I just don't care"

But you've got the love I need to see me throughOh, it gets so rough sometimes

Oh, the going gets so hard

But I know:You've got the love, you've got the love, you've got the love (hmmm)InstrumentalSometimes I feel like throwing my hands up in the air

I know I can count on you (I know, I know)Sometimes I feel like saying, "Lord, I just don't care"

But you've got the love I need to see me throughIt's all I can do sometimes to keep it together

But I know you've got it; you've got the loveYou've got the love x6Sometimes I feel like throwing my hands up in the air

I know I can count on youSometimes I feel like saying, "Lord, I just don't care"

But you've got the love I need to see me through
