

# Outside

Aaron Lewis

And you bring me to my knees  
Again  
All these times that I could beg you please  
In vain  
All the times  
That I felt insecure  
For you  
And I leave my burdens at the door I'm on the outside  
I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you (Fred Durst, speaking)  
This is the real motherfucking deal y'all  
I'm feeling those lighters All the times that I felt like this won't end  
Was for you  
And I taste what I could never have  
It's from you  
All those times that I've tried  
My Intentions  
Full of Pride  
And I waste more time than anyone I'm on the outside  
I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you All the times that I've cried  
All this wasted  
It's all inside  
And i feel all this pain  
Stuffed it down  
It's back again  
And I lie here in bed  
All alone  
I can't mend

And I feel  
Tomorrow will be ok  
Only hope(Fred Durst and Aaron Lewis)  
I'm on the outside  
I'm looking in  
I can see through you  
See your true colors  
Inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you
