

The Lining Is Silver

Relient K

I found my new black shoes
While cleaning out the bones left in my closet
They were there with a bad excuse
Bon Voyage And I found a backup plan
I'm grateful that I didn't have to use it
But it's made up of real good friends
Bon Voyage Isn't it nice to know that the lining is silver?
Isn't it nice to know that we're golden? Well, I found a list of flaws
That I saw in myself and other people
And I threw it away because
Bon Voyage Isn't it nice to know that the lining is silver?
Isn't it nice to know that we're golden? Oh, oh
Isn't it nice to know that the lining is silver?
Isn't it nice to know that we're golden?
Yeah, we're golden, oh When it all falls apart
And you can't see the forest for the symmetries, oh oh oh Isn't it nice to, isn't it nice to know?
Isn't it nice to, isn't it nice to know?
Isn't it nice to know that the lining is silver?
Isn't it nice to know that we're golden? Oh, oh Isn't it nice to know that the lining is silver?
Isn't it nice to know that we're golden?
Yeah, we're golden, oh I found a love in me
I always somehow knew that it existed
It just needed to be set free
Bon Voyage Isn't it nice to know?
Isn't it nice to know?
Isn't it nice to know?
